Introducing colour and life. These were the leitmotifs intended by interior designer Séverine d'Alès for the design of this flat in the 18th arrondissement of Paris. In this place, inhabited by a Brazilian chef and her two children, the double living room hosts a grandiose 'workshop' kitchen and a spacious lounge. These two spaces combined become both living and reception areas, in an atmosphere where Brazilian and French cultures are mixed. A colourful place while keeping the Parisian elegance of the beautiful Haussmannian setting. At the entrance to the flat, a pair of **AS130 WW** with **R12** engobe pots house *Sansevieria trifasciata*. In the **Red O** pot in the kitchen-workshop *Strelitzia Nicolai* are combined with the illustrations on the wallpaper that decorates the room like a giant painting. The trio of **FGS** pots in the living room fits in perfectly with the colours and lines of the elements that furnish this beautiful space.
