Collection composed of:  
loung armchair / sofa / modular sofa

Baia has a sartorial elegance in which selected fabrics dress the sofas and armchairs in natural tones, which can be further interpreted with subtle stripes or combined with eco-friendly leather bands. The heritage appeal of the entire collection meets the contemporary nature of materials and workmanship specific to the nautical world, in a balance of aesthetic and technical needs. The coffee table with travertine top is a clear reference to the connection with the natural world, without ever abandoning the link with the peculiarity of its function.
